

PREVENT CHILD ABUSE AMERICA

RESOURCES

Policy Priorities	Description
Federal Policy Agenda 2022-2024 https://preventchildabuse.org/resources/2022-federal-policy-agenda/	These are our federal policy agenda for 2022-2024.
State Primary Prevention Priorities 2022 https://preventchildabuse.org/resources/2022-state-public-policy-strategies-2/	State primary prevention policy priorities for 2022
Healthy Families America & Home Visiting Resources	Description
Evidence of Effectiveness https://www.healthyfamiliesamerica.org/our-impact/evidence-of-effectiveness/	This resource details positive findings and evidence of findings on Healthy Families America. The highlights are from over 35 peer-reviewed published articles and 14 randomized control trials that compare outcomes for families enrolled in HFA to those not offered HFA services.
Supporting Home Visiting: A Guide to State and Federal Funding https://preventchildabuse.org/wp-content/uploads/2020/06/State-and-Federal-Funding-Streams.pdf	This is a detailed synopsis of federal and state funding streams through which home visiting is supported, including ways to explore these federal or state dollars and the levers for advocacy with lawmakers.
Corporal Punishment Resources	Description
Physical Punishment: Attitudes, Behaviors, and Norms Associated with Its Use Across the US https://preventchildabuse.org/resources/physical-punishment-attitudes-behaviors-and-norms-associated-with-its-use-across-the-us/	This report showcases findings from a survey of over 3,000 US adults to better understand attitudes, beliefs, behaviors, and perceptions associated with Physical Punishment (PP). These findings largely support declining trends in PP identified in prior work and provide new insights for policy, intervention, and social norms change efforts.
Corporal Punishment One-pager https://preventchildabuse.org/resources/corporal-punishment-one-pager/	This helpful one-pager identifies strategies to promote positive parenting and discipline strategies that do not include hitting or the physical use of force with children.
ACEs Resources	Description

<p>Balancing Adverse Childhood Experiences (ACEs) With HOPE: New Insights into the Role of Positive Experience on Child and Family Development https://preventchildabuse.org/resources/balancing-adverse-childhood-experiences-with-hope/</p>	<p>This report presents evidence for HOPE (Health Outcomes of Positive Experiences) based on newly released, compelling data that reinforce the need to promote positive experiences for children and families in order to foster healthy childhood development despite the adversity common in so many families.</p>
<p>FrameWorks Institute Report: “Reframing Childhood Adversity: Promoting Upstream Approaches” https://preventchildabuse.org/resources/frame-works-institute-reframing-childhood-adversity-promoting-upstream-approaches/</p>	<p>Preventing, identifying, and responding to early adversity is one of the most impactful things we can do to improve our nation’s health and well-being—but it can be difficult to build the public understanding and political will necessary to support the work. This brief seeks to work through framing challenges like these, offering guidance on positioning, emphasis, and explanation.</p>
<p>Taking ACES Upstream: Strengthening Prevention of Adverse Childhood Experiences https://preventchildabuse.org/resources/taking-aces-upstream-strengthening-prevention-of-adverse-childhood-experiences/</p>	<p>The continued findings and research from the Adverse Childhood Experience Study (ACES) have identified robust associations between a child experiencing early trauma and a wide array of poor health, economic, and life outcomes.</p>
<p>Advocacy Resources</p>	<p>Description</p>
<p>A Call to Action for Policymakers and Advocates: Child Sexual Abuse Prevention Legislation in the States https://preventchildabuse.org/resources/a-call-to-action-for-policymakers-and-advocates-child-sexual-abuse-prevention-legislation-in-the-states/</p>	<p>This report was compiled to assist state leaders in evaluating the status of their legislative efforts to prevent child sexual abuse in schools, learning how other states are addressing the issue, and encouraging improvements in state policies based on the national trends identified and recommendations provided.</p>
<p>Primary Prevention One-pager https://preventchildabuse.org/resources/primary-prevention-one-pager/</p>	<p>Prevent Child Abuse America advocates for the use of primary prevention approaches (i.e. programs, policies, or other strategies) that aim to stop child abuse or neglect before it occurs.</p>
<p>Paid Family Medical & Sick Leave Toolkit https://preventchildabuse.org/resources/paid-family-leave-toolkit/</p>	<p>This toolkit is a product of the Prevent Child Abuse (PCA America) Chapter Network Policy Affinity Group’s work across the policy area of paid family leave as a strategy in the prevention of child abuse and neglect.</p>
<p>The Child Abuse Prevention and Treatment Act (CAPTA) Reauthorization https://preventchildabuse.org/resources/the-child-abuse-prevention-and-treatment-act-capta-reauthorization/</p>	<p>This resource highlights the status of the Child Abuse Prevention and Treatment Act (CAPTA) reauthorization by Congress.</p>
<p>Other</p>	<p>Description</p>

<p>Indian Child Welfare Act https://preventchildabuse.org/resources/indian-child-welfare-act/</p>	<p>Resource that provides an overview of the Indian Child Welfare Act, where it stands now, why it matters, and how states are responding to the imminent supreme court arguments.</p>
<p>2022 Election Guide https://preventchildabuse.org/resources/prevent-child-abuse-america-2022-election-guide/</p>	<p>The content provides information on voting in an Election Year. The resource includes information and links to online references to assist you and your networks in becoming informed and active participants during this Election Year and beyond.</p>
