Bullying Prevention Topic Lead

AGENDA

- Welcome/Connector Activity

- Harvest survey data

- State Updates and Storyboards

- Upcoming Deadlines and Deliverables

Which child best represents how you are feeling right now? Add the number in the chat!

Storyboards – for Learning Session on April 18-19, 2023

A storyboard is a visual presentation designed to quickly communicate your vision and strategy for child/adolescent injury prevention on the selected topic.
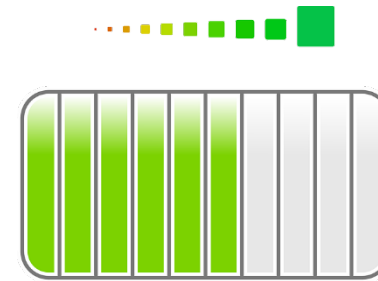

Components:

Vision

Challenges

Strategy

Progress

Next Steps

Massachusetts

L. Jane Ayers* +
Mayumi Brooks
Kendall Bruce
Nicole Daley
Jessica Daly
Khalil Dambreville
Jenny Fernandez

Najid Figueroa
Cassandra Foley

Why Create a Storyboard?

- A storyboard can help you to:
  - Build **common understanding** among team members and partners
  - Gain **support** from key stakeholders
  - Share with peer teams for **feedback** and suggestions

Upcoming Topic Calls & Deliverables

- Submit monthly reports through the beginning of May (April 2023)
  - The *narrative* is just as important as the quantitative data

- March 16th – State Technical Assistance Webinar (STAW)

- March 29th – deadline for your storyboards – send to Clare Grace Jones

- April 18 & 19, 2023 1:00-4:00pm ET – Learning Session 7

Thank you!
